

Pully Pinboard

DESIGN ROBERT BRONWASSER

Pully Pinboard

DESIGN ROBERT BRONWASSER

Pully Pinboard, designed by Robert Bronwasser, is a versatile and stylish solution for modern workspaces. Covered with recycled felt or cork with a pinning surface of 165x110 cm and rounded corners. The felt adds some sound absorption. The base is a three-legged steel powder coated frame with lockable casters.

MATERIAL AND FINISH

Powder-coated steel frame, 10 mm PET felt or 8mm cork. casters with breaks.
