- COMPOSITE MATERIAL 82,2%

INFORMATION

Article number: 6702

This material passport is specific for the item number shown above and displays the material composition of this product. Variations of this product largely share the same material compositions and percentages. For different sizes or configurations, please contact us.

Parts	Material Description	Finish	Recyclable end of life*(%)	Amount	Weight (kg)	Weight total (kg)
Hull	Composite material		80%	1	17,25	17,25
Feet left/ right	Steel	Powder coated	100%	2	1,83	3,66
Round Glide - Ø25 mm, black	Plastic	Polished	100%	4	0,003	0,012
Feet with velvet	Plastic and velvet		100%	2	0,001	0,002
Bolts M6x20	Steel	Galvanised	100%	12	0,005	0,06
Total product			84%			20,984

* Estimated percentage of recyclability at end of life. Recyclability depends on consumer use and re-use. Advice to separate materials as much as possible. Consider re-upholstering for upholstered products.

General

PACKAGING

When packaging products, as little as possible plastic packaging materials are used. Where possible, plastic is replaced by more sustainable options, such as crumpled paper instead of bubble wrap or suchlike. Products will only be packed with minimal plastic, if the quality cannot be preserved without plastic packaging. More than 95% of the product components come from suppliers located within a radius of 200 kilometers around our production facility.

- FLAT PACKED
- PRE-ASSEMBLED
- FULLY ASSEMBLED

CERTIFICATES

Cascando is ISO 9001 and ISO 14001 compliant. Products with FSC certificate can be supplied on request.

WARRANTY

Cascando's motto is 'quality first'. This is because we are convinced that the quality of the processes in our organization is an important condition for creating perfect working environments for others. Cascando products include a 2-year warranty. For more information, please refer to the terms and conditions.

For information regarding maintenance, visit cascando.com/downloads/maintenance-instructions/.
